Port Nikau Marina

Whangārei's Newest Marina

WHANGĀREI • NEW ZEALAND

YOUR IDEAL LOCATION

Port Nikau Marina is positioned in the heart of Whangārei's marine precinct on Northland's east coast, close to deep water with up to 6 metres at the outer berth. The marina is located 88 nautical miles from Auckland and 12 nautical miles from the Whangārei Harbour entrance.

Whangārei has world-renowned boat builders and offers top-quality services and experienced contractors for any refit or renovation work.

Retail stores, supermarkets and pharmacies in the Whangārei CBD are a five-minute drive from Port Nikau or an easy ten-minute cycle. The Whangārei Hospital is a ten-minute drive and Whangārei Airport is a 15-minute drive.

The Whangārei Harbour is ideal for fishing or cruising, with an easy sail to world-renowned Bay of Islands.

Creating a new urban waterfront community

In the next 10-15 years, there is a town centre planned with 6,000m² of retail, hospitality and commercial activities. Once complete, this vibrant town centre will support residents and owners of boats berthed at the Port Nikau Marina with everyday amenities, shopping and communal recreational areas.

Pier C

Port Nikau Marina has 48 floating pontoons available. In the next 10-15 years, the marina will expand to offer 120 berths in addition to Port Nikau's superyacht and commercial berthage options.

Whangārei

"You're in the middle of the city, but without the hassle that cities usually come with - it's affordable, quiet, and private. Port Nikau's staff are flexible and will work within your needs, and there are heaps of awesome activities for crews to explore. All the skills you need to do any minor or major repairs on your boat are here. What else could you want?"
